Chamber of Commerce and Industry

Dear Sir / Madam,

It is a pleasure for me to inform you and the members of the Chamber of Commerce and Industry that International scientific and practical conference **MACHINE BUILDING AND METALWORKING** will be held on October 10 – 11, 2019 in the city of Mogilev and Bobruisk (Belarus).

The Conference covers such topics as advanced technologies in machine building, mechanization and automation of manufacturing process, metalworking equipment and tooling backup. Problems of materials science and casting technology, simulation methods in machine building, as well as problems of production quality control and problems in training specialists in the field of machine building will be discussed at the Conference.

Please, find more details at <http://conference.fezmogilev.by/en/>.

May I express my hope that you and the members of the Chamber of Commerce and Industry will find prospects of participation in the Conference interesting and will pay a visit to Belarus for this purpose.

Yours faithfully,

Andrei Grinkevich
Ambassador of Belarus
